

Dear Masters Divers and Supporters

It is with great pleasure that I welcome you to the first Masters event to be held at the Tunbridge Wells Sports Centre.

The Winter Masters started out as our Novice competition with a 'fun' competition for the more experienced divers and we continue with that ideal. It is the last event of the year, Christmas is approaching and let's have some fun both in and out of the pool.

The plan is to have training on the Friday evening and competitions Saturday and Sunday. Please can you get your entries in to Lesley as soon as possible. Also, please return the dive sheets to her as she requests and if you are unsure of how to fill them in can you ask someone to check the sheets for you. Over a third of dive sheets had mistakes at Leeds which is not acceptable. Please assist in making sure that they are correct when you send them.

There will be four competitions. Provisionally, on Saturday the 'main' competition is a mixed board competition for both masters and novice masters alike. On Sunday, we have three competitions for you to enjoy. The synchro is long established and the feedback from you is very positive that you want it to continue so it is. Due to the layout of the boards, we are able to hold both a 1m synchro and a 3m. In addition, we are once again seeing how well divers can cope with feet first entries. We saw some tremendous displays last year including a 5163B and I am sure this will once again be a success.

In order to finish the year off with a bang, we will be arranging a venue in the centre of Tunbridge Wells for us to party. Can you also reserve function tickets when you enter not only for you but also for any coaches, friends etc. We are generally asked to confirm numbers a week or so in advance of the event and sometimes cannot add on latecomers.

The suggested hotel which is close to the centre of Tunbridge Wells and a couple of miles from the pool is:-
