Guest Parking

The Georgia Center partners with the University to offer affordable parking options. The University of Georgia South Campus Parking Deck is owned and operate by the University of Georgia Parking Services and is conveniently located next to the Georgia Center. The University of Georgia Carlton Street Parking Deck is located across the street from The Georgia Center. Current rates are \$.50 for the first 30 minutes, \$2 for the first hour, \$2 for each additional hour, and a maximum of \$10 for each 24-hour period parked. **You may charge your parking fee to your hotel room at the hotel front desk. At that time they will provide a parking pass that allows you to have in and out privileges (going in and out without paying each time). After 5:00 PM and on the weekends parking is permitted in surrounding surface lots at no charge and is based on availability. (There is usually plenty of parking in surrounding lots.)**

If you have lodging at the Georgia Center you will want to unload your car at the front circle of the Center (Carlton Street), then park in the parking deck. Assistance with your belongings will be provided if needed. Your automobile may remain at this location while you register at the hotel desk but should be moved promptly to the parking deck after check in. A daily flat-rate parking charge can be added to your room bill, if you wish, and you will be given a parking pay voucher to give to the parking attendant. This pay voucher will allow you in and out access for the duration of your visit.

The South Campus Parking Deck is operated by the University of Georgia and is not governed by the University of Georgia Center for Continuing Education Conference Center and Hotel. The parking deck is open 24 hours.
