[Note: These events were first recognized as medal events in 2008 at Perth. Records are reflected accordingly.]

- 
- Notes: 1. The meet and events were run very efficiently and on schedule.  
2. The president and vice president of FINA personally attended some of the diving events [a new first.]  
3. The judging was overall very good. Still too many entry judges.  
4. The 2012 FINA World Masters Aquatics is scheduled for Riccione, Italy.
