Congratulations to these fine divers for their outstanding performances in 2011. I had to redo the

calculations for Alex and Ron four (4) times to get it right. This is the closest spread between 1st and 2nd place I have ever witnessed in the whole time I have been doing the award.

Tentative sites for next year's Masters National Championships: Spring Nationals back to Montgomery Pool, Maryland. Closest airport is Dulles International. Summer Nationals at a new pool in Riverside, California. Nearest airport is Ontario, but for non-stops from the east coast, LAX.
