Multiple countries are represented at each of our meets. Please feel free to come and DIVE with us. We believe that Competitive Diving is for life and brings life to those who participate in the sport. LET'S DIVE! Let's LIVE!

Masters Divers,

2023 will be an HISTORIC year! Opening up the NEW Facility in Ft. Lauderdale will be very exciting!! I was able to take my college team to train there in January and it was AMAZING!!

As you can imagine, our team has worked very diligently to find the best accommodations available that are within a reasonable price. Hotels on the beach are normally very expensive and often cost well over \$200 a night. We were able to secure a limited block of rooms at the Best Western Oceanside and Courtyard by Marriott. Please consider exploring different travel sites, such as [Hotwire](#), [Expedia](#) or [Kayak](#). You might also consider checking [Air BnB](#) and similar sites to find affordable accommodations.

There will be a few schedule changes from years past for this particular Nationals.

FRIDAY = ALL GM EVENTS WILL TAKE PLACE.

SATURDAY = ALL SYNCHRO EVENTS WILL TAKE PLACE

SUNDAY – We need to be done with our event for another event at 1pm...

More Details to follow soon– Exciting opportunity for all Masters Divers!!!!

ALSO, How exciting is THIS.....We get to share AIRSPACE with the US NAVY!!!! That is correct, the Ft. Lauderdale Air Show is taking place the same weekend. So be ready to go MACH SPEED with the jets flying overhead. This may be a distraction for some of you....and you will get a re-dive, if you are distracted. A quick call out to all of the photographers we have in our Masters Diving Family – the photo ops will be INCREDIBLE!!!

LET'S DIVE! LET'S LIVE!
